20 TV films, from dialogue edit to final master

15 Broadcast on RTP1 (Portugal's main public channel)

Showreel
youtu.be/F-x530xYOYA

I'm an Avid Certified Pro Tools engineer. I've taken 20 TV films for Marginalfilmes from dialogue edit and Foley through to the final master and 15 of them have already aired on RTP1 (Portugal's main public channel). As a self-taught musician I've also played guitar for 30 years and sung lead in a band, so I bring a musician's ear to every mix.

Side A Film audio post-production · Audio post engineer, Marginalfilmes · 2020–now

A1 Dialogue editing and cleanup noise reduction, consistent level and tone	A3 Final mix: dialogue, music, Foley, FX TV films broadcast on RTP1 (Portugal's main public channel)
